

**OUR MOTIVATION:** As the Global War on Terrorism continues in response to events like those on 9/11, grateful Americans want to express their appreciation to those who pay the ultimate price of death or disability. We can never replace the loss of life or limb but we can honor the sacrifices of these American Heroes by providing for their families and remembering the price they pay. This is what OPERATION FAMILY FUND was founded to do.

**OUR MISSION:** To assist the injured and families of the those who have been injured or killed as a part of the Global War on Terrorism, whether domestic or abroad, military or civilian, with financial grants for transitioning to their new circumstances and achieving financial self-sufficiency.

**OUR ACCOMPLISHMENTS** as of June 2007: **OVER 140 FAMILIES** have received Grants, and **MORE THAN \$932,000** in donations have been received from generous Americans like you.

**OUR COMMITMENT:** To ensure that your donation goes to eligible families, not to unnecessary overhead, Operation Family Fund was founded with donations and is run by volunteers.
